3:00 p.m.

Campus Open House

October 24, 2015

10:00 am

All faculty and staff are invited to attend

Enrollment Trends

Up:

- Veterans enrollment has nearly doubled to about 200 students
- Out-of-state ESSENCE enrollment has increased to about 25 students due in large part to increased enrollment from Greencastle-Antrim High School students
- Average credit load has increased by 2% (impact of more FT students)
- Transfer student applications have increased by 13%
- Non-credit FTE continues to increase

Enrollment Trends

Down:

- Applications are down, especially among PT students
- Job Training Student Resources (JTSR) program has an 11.7% decrease in enrollment
- Evening enrollments are down almost four times as much as day enrollments
- Out-of-County and non-ESSENCE Out-of-State enrollments are down significantly

Enrollment Initiatives

- Campus Open House (make it an annual event)
- Smart Start program advertising campaign will make requesting information easier for students
- Aggressive mailing campaign for prospects, applicants, and students
- Fast Fridays group advising sessions to encourage completion of enrollment process
 - Students apply, test, and register for classes on the same day
 - Applicants are contacted by phone to encourage registration for these events
- E-mail to students who have financial aid packaged and available
- Improved communication documents for students who have completed placement testing
- Campus tours conducted with greater frequency
- Greater faculty involvement in meeting with program prospects

New Credit Programs

Advanced Manufacturing A.A.S.

- Basic Electricity Certificate
- Industrial Technology Certificate

Bookkeeping Certificate

2015-2016 SGA Officers

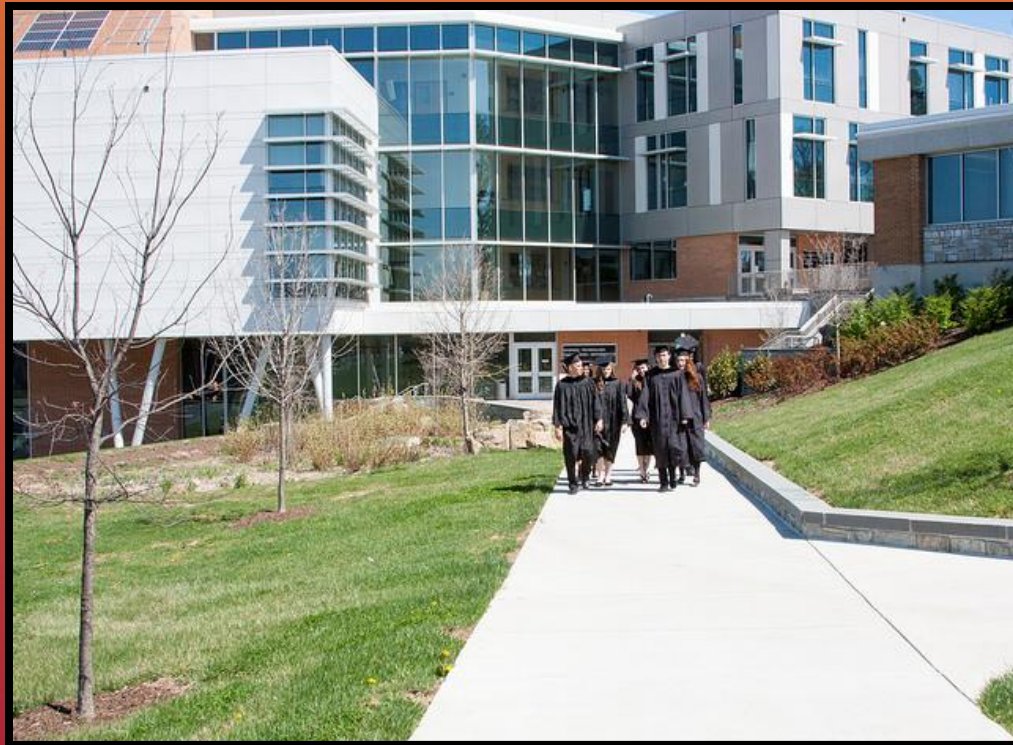

Meet the 2015-16 HCC SGA!

Top row from left: President, Joe Heavner and Vice President, Blake Reeder.

Bottom row from left: Treasurer, Mark Goodnight; Senators, Hailey Runion, Geraldson Valme, and Ethan Rubinstein; and Secretary, Amanda McPherson.

HCC succeeds because its employees do their jobs extremely well and share a common vision

HCC will be a learner-centered accessible, lifelong learning institution dedicated to student and community success.

You Can Call Me Grandpa!

Ayden Gaetano Altieri
Born May 24, 2015

Congratulations and welcome to the HCC family!
