6-8	CFK-482-H	Graphic Design for Teens - NEW
5-8	CFK-484-H	The Wizardly World - NEW

### Are you ready for camp?

#### REGISTER

- Please read our current health and safety protocols, which all staff and campers are required to follow, at www.hagerstowncc.edu/kids. Protocols are subject to change based on federal, state, local, and camp guidance.
- Confirm your child meets the grade or age requirements for the class section selection. The grade listed refers to the grade your child will be entering the next school year. Please note any special requirements for our Discovery Academy camps.
- 3. Register:
  - Online at hagerstowncc.edu/kids
  - By phone at 240-500-2236, extension I
  - By mail or in person (see registration form at back of schedule)

\*Use your child's name and birth date when registering, not your own.

#### **REQUIRED FORMS**

All health and student information will be collected by CampDoc. You must provide a valid email address when registering for a CFK course. Within a week of registering, look for an email from register@campdoc.com. All forms must be completed two weeks prior to camp. Students may be dropped without a refund if documents aren't completed.

- Returning campers must update and resubmit forms each year.
- Questions? Call 240-500-2480 or email cfk@hagerstowncc.edu.

#### CONFIRMATIONS

- Confirmation of registrations will be sent by mail.
- Check that your child is enrolled in the correct camp and week.

#### **FINAL STEP**

- One week prior to camp, you will receive an email containing a map with the location of your camp and where to check in on Monday morning.
- Note: Classroom locations can and often do change. Check the check-in lobby directional board on Monday morning before going to your child's classroom for the most accurate location information.

#### SPECIAL ACCOMMODATIONS

If your child has a documented disability (learning, physical, psychiatric, medical, or behavioral) this must be disclosed on the health form. Someone from HCC's Disabilities Support Services (DSS) office will contact you prior to the start of class to discuss your child's needs and potential accommodations that may be necessary. If you have questions or need to contact the DSS Office, call 240-500-2273.

# Know **Before** You Go!

#### **EXTENDED SERVICES**

Before Care and After Care are available for an additional \$30 each per week. Registration is required. Before Care runs from 7:30 to 8:45 a.m. and After Care is from 4:15 to 6:00 p.m. Staff will accompany students to/from their classroom.

#### **STUDENT'S GRADE LEVEL**

Grades listed refer to the grade your child will be entering in the next school year.

#### **REQUIRED FORMS**

All health and student information will be collected by CampDoc. You must provide a valid email address when registering for a CFK course. Within a week of registering, look for an email from *register@campdoc.com*. All forms must be completed two weeks prior to camp. Students may be dropped without a refund if documents aren't completed.

- Returning campers must update and resubmit forms each year.
- Questions? Call 240-500-2480 or email cfk@hagerstowncc.edu.

#### **LUNCH & SNACKS**

Lunch will take place either in the Student Center or the classroom. Campers are encouraged to pack a lunch that does not require refrigeration. Lunch can be purchased from the Hilltop Grill's College for Kids menu. Please check the CFK website and watch your email for more details on purchasing lunch.

#### **SECURITY & SAFETY**

Hagerstown Community College is committed to providing a safe learning environment for its students.

- Parents or guardians must sign their child in and out of class each day.
- Students are escorted to and from all activities.
- Staff will escort students who are not picked up 15 minutes after camp ends to the Career Programs Building, Room 232.

#### QUESTIONS

If you need additional information, view the FAQs and parent handbook found on our website at hagerstowncc.edu/kids, or contact our staff at *cfk@hagerstowncc.edu*.

# DISCOVER MEDICINE

e

DISCOVERY ACADEMY

# MEDICAL EXPLORATION CAMP

The one-week Medical Academy will introduce you to the fields of medicine and give you a glimpse into the exciting careers available. You will explore topics ranging from human anatomy and physiology, microbiology, and infectious diseases to surgery, dentistry, and emergency medicine.

The program includes field trip to University of Maryland Shock Trauma Center and the Dr. Samuel D. Harris National Museum of Dentistry.

### APPLY NOW

hagerstowncc.edu/discovery-academy-medical

\*Applications for this select program are available and will be accepted starting February 15, 2023.

Presented by HCC in partnership with Meritus & AHEC West

### **COLLEGE FOR KIDS**

#### **BEFORE CARE**

#### **Before Care for College for Kids**

Before Care will be offered each week of camp. Parents may drop their children off at 7:30 am and HCC staff will deliver them to their camp. Before Care is not included in camp registration; students must be registered for Before Care in addition to their camp. Total: \$30

10101. 950

### REGISTRATION DEADLINE

Online registration closes the Monday prior to the start of each camp.

#### **GRADES 2-3**

#### **Backyard Bugs**

Discover the incredible world of insects, from elegant dragonflies to shiny tiger beetles to flying flowers (butterflies). We'll look for eggs and caterpillars and the evidence they leave behind. We'll look at real bugs to discover how they avoid getting eaten, plus we'll test out way's insects eat. Expect lots of learning disguised as fun and games, plus catching bugs in nets for those up-close looks. Campers will take home great tools and activities to continue their explorations.

#### Total: \$169

CFK-402-A	Tu-F 9am-4pm	Jun 20–23
	K. Barylski	CPB 213

#### **Blast Off Into Space**

Get ready to blast off into fun. Travel with us through the solar system to explore the planets, stars, sun, and moon. We will explore the solar system and learn about the NASA space program. Activities in this exciting adventure include solar system role-play, model-making, virtual trips through space, and much more.

#### Total: \$169

CFK-226-A	Tu-F 9am-4pm	Jun 20–23
	Staff Instructor	CPB 123

#### **Kitchen Chemistry**

You'll be "cooking up chemistry" in this highly motivating and creatively yummy chemistry experience. Investigate through cooking, stories, games, music, and experiments. Experiments and recipes do not involve a stove, oven, or open flame.

#### Total: \$209

CFK-006-B	M–F 9am–4pm	Jun 26–30
	Staff Instructor	CPB 210

#### We Do Robotics, Do You?

Take me to your leader! Wait, you become the leader as you learn to create and program animated robots. Using LEGOs, a computer, and your imagination, plan and engineer a series of projects that show you have the stuff to become a future robot designer.

CFK-237-B	M—F 9am—4pm	Jun 26–30
	T. Shade	LRC 121

#### Mad Scientist Training Academy

Real science in a real lab! Investigations and experiments come alive as students engage in hands-on activities that ignite their curiosity about science. From elephant toothpaste to lemon volcanoes, students will be immersed in the process of science investigation. The week will culminate in a mini-science fair where students will show off their science lab skills as they conduct their favorite experiments and investigations from the week. Your little scientist won't want to miss it!

Total: \$129

CFK-320-C	WThF 9am-4pm	Jul 5–7
	Staff Instructor	STEM 404

#### **UPcycled Art**

From drink coasters to chandeliers, use your imagination to craft beautiful, economical pieces of art! Weave, paint, cut, wire, and glue CDs, plastic bottles, and other mystery 'trash' items to transform them into colorful, upcycled creations that will bring a smile to you, others, and best of all, the environment!

Total: \$129

CFK-372-C	WThF 9am—4pm	Jul 5–7
	T. Vanhyning	CPB 210

#### **NEW! Chance of Science**

Does your inquisitive nature have you questioning what you read in books? Can meatballs really fall from the sky? Books ask readers to believe in an imaginary world, but sometimes readers can explore the science within them. Embark on your own quest as you examine the basics of the scientific process, weather, animal classification, pollution, ecosystems, and more while reading Judi and Ronald Barrett's Cloudy with a Chance of Meatballs and Dr. Seuss' The Lorax.

Total: \$209

CFK-474-D	M–F 9am–4pm	Jul 10–14
	Staff Instructor	STEM 313

#### **NEW! Full STEAM Ahead**

All aboard the STEAM train. This exciting hands-on camp will have you exploring the world of science, technology, engineering, art, and mathematics through rocketry, robotics, creativity, and problem-solving. Challenge yourself to think critically and be innovative and creative as you collaborate with classmates to solve the mysteries of STEAM.

#### Total: \$209

CFK-472-D	M–F 9am–4pm	Jul 10–14
	Staff Instructor	CPB 212

#### **Backyard Bugs**

Discover the incredible world of insects, from elegant dragonflies to shiny tiger beetles to flying flowers (butterflies). We'll look for eggs and caterpillars and the evidence they leave behind. We'll look at real bugs to discover how they avoid getting eaten, plus we'll test out way's insects eat. Expect lots of learning disguised as fun and games, plus catching bugs in nets for those up-close looks. Campers will take home great tools and activities to continue their explorations.

#### Total: \$209

CFK-402-E	M—F 9am—4pm	Jul 17–21
	Staff Instructor	CPB 213

#### **Hogwarts Academy**

Been waiting for your Hogwarts letter? Wait no more! Curious about the world of Harry Potter? Wonder what house you belong to? In Hogwarts Academy, you will explore the first book of the Harry Potter series. We will read the book, do potions, play quidditch and much, much more! Spoiler Alert!

Total: \$209

CFK-388-E	M—F 9am—4pm	Jul 17–21
	Staff Instructor	CPB 214

#### NEW! Mr. (or Miss) Green Thumb

Get ready to test out your two green thumbs in this one-week camp. Explore flowers, herbs, and the world of gardening while learning how to maintain your plants through composting, watering, and replanting. Learn recipes you can try at home that will use your new small garden.

Total: \$209

CFK-478-F	M—F 9am—4pm Staff Instructor	Jul 24–28 <i>CPB 124</i>

#### **NEW! Nature Explorer**

Do you enjoy animals and the world of nature? Are you mesmerized by the natural movements of animals? Do you like to create art? Join us for a week that will combine your love of nature and crafts as you become a nature explorer. Develop a deeper understanding of the proper care of the environment, learn what animals like to eat, what they should not eat, and how plants can bring beauty to our worlds while developing items like bird feeders, flower mobiles, and more.

CFK-479-F	M—F 9am—4pm	Jul 24–28
	T. Vanhyning	CPB 212

#### The Magic of the Amazon Rainforest

Climb aboard the Magic School Bus and into Jack and Annie's Magic Tree House for a wild adventure into the Amazon rainforest. From the depths of the forest floor to the heights of the leafy canopy, explore the Amazon's plants, bugs, and animals through experiments, crafts, hands-on activities, and technology. Each camper will be given their own copy of Afternoon on the Amazon by Mary Pope Osborne.

#### Total: \$209

CFK-410-F M—F 9am—4pm Staff Instructor Jul 24–28 *CPB 121* 

#### We Do Robotics, Do You?

Take me to your leader! Wait, you become the leader as you learn to create and program animated robots. Using LEGOs, a computer, and your imagination, plan and engineer a series of projects that show you have the stuff to become a future robot designer.

Total: \$209

CFK-237-G	M—F 9am—4pm	Jul 31–Aug 4
	T. Shade	LRC 121

#### **NEW! Camp Mystery**

Calling all detectives! It's time to magnify your clues. Sharpen your investigative nature and join us as we embark on our own camp adventure. The mystery will have you exploring your surroundings, sharpening your problem-solving skills, and working together to solve the case.

Total: \$209

CFK-488-H	M—F 9am—4pm	Aug 7–11
	C. Mayo	CPB 121

#### **Creatures of the Deep**

Embark on an undersea adventure and learn about amazing sea creatures and mammals that depend on the sea. Get a taste of chemistry as we test the differences between fresh and salt water. There will be hands-on projects, games, storytime, music, and art. Total: \$209

CFK-248-H	M—F 9am—4pm	Aug 7–11
	Staff Instructor	CPB 213

### REGISTRATION DEADLINE

Online registration closes the Monday prior to the start of each camp.

#### EARN SSL HOURS AT CFK!

#### **VOLUNTEERS NEEDED FOR:**

- Classroom Aides
- Monday Morning Check-In

Apply online

#### www.hagerstowncc.edu/cfk

**GRADES 4-5** 

#### **Crafty Kids**

Scrapbooking, stamping, card making, oh my! Make the world a more beautiful place, one craft at a time. Create fun and unique scrapbook pages to display your water, school, and birthday pictures, decorate birthday and Christmas cards, and even design your own logos. From board games to tote bags, you're sure to have a craft-tastic time!

#### Total: \$179

CFK-383-A	Tu—F 9am—4pm	Jun 20–23
	T. Vanhyning	CPB 211

#### NEW! Creativity and Design Through Tech

Take your tech and creativity skills up a notch. Through this introductory camp, you will explore the digital art form of graphic design and video production and learn the basics of coding that will help you create digital content from a mere idea to the final product. We will focus on Apple-based applications as well as various web-based design apps.

CFK-487-A	Tu—F 9am—4pm <i>B. Baine</i>	Jun 20–23 <i>KEP 210</i>
	D. Dunie	NEI 210

#### **Minecraft for Maniacs**

Dive into the secret world of Minecraft and rediscover the joy of building with blocks. Share game experiences and use critical thinking skills to overcome game obstacles as a team, finding bigger and better Minecraft adventures. Before starting the class, you must have a PAID Minecraft account for the PC/MAC. Total: \$179

CFK-330-A	Tu—F 9am—4pm	Jun 20–23
	T. McCaw	CPB 171

#### **Myths and Legends**

Explore myths and legends around the world and discover what makes books like Percy Jackson so fascinating! Become an adventurer and explore deep forests, magical islands, mystical caves, dangerous labyrinths, and the cultures that created them.

#### Total: \$179

CFK-458-A	Tu—F 9am—4pm	Jun 20–23
	H. Wallen	CPB 210

#### **Computer Games: Digital Designers**

Stop staring at your monitor and become the star of your own computer game. Put yourself in the middle of the action as we digitally insert you into your own animated adventure. Work with graphics, create a storyline, insert sound effects, and package your game for family and friends.

Total: \$219

CFK-013-B	M—F 9am—4pm	Jun 26–30
	Staff Instructor	CPB 171

#### **DNA Detectives: Who Dunnit?**

Are you always watching crime scene T.V. shows or movies, or reading a good who dunnit story? Love to figure out how to solve the mystery? In this weeklong course, you'll learn the basics of crime scene investigation, or CSI tactics, and solve a fictional crime. You'll learn how to extract DNA, complete a DNA Gel Electrophoresis, use dissections to solve crimes, and identify other biological materials to lead you to the culprit.

Total: \$219

CFK-359-B	M–F 9am–4pm	Jun 26–30
	Staff Instructor	CPB 124

#### **NEW! Art Movements**

Travel through the artistic movements in the world of art through hands-on learning. Discover how American artists influenced historical trends, and learn about famous paintings from Andy Warhol, Georgia O'Keeffe, and Jackson Pollock while creating your own masterpieces.

Total: \$219

CFK-470-B	M—F 9am—4pm	Jun 26-30
	Staff Instructor	CPB 211

#### It's a Bug's World

Explore the incredible world of insects in depth. Wow your parents and friends by how much you know about the creatures most necessary to life on Earth. From ants to grasshoppers and caterpillars to dragonflies, you'll learn about all the orders of insects and see how many you can actually find outdoors. With games, crafts, and more, learning about bugs will be anything but boring. You'll spend several hours outdoors every day, observing insects, catching them with entomology nets, and having fun. Campers will go home with plenty of materials to extend their learning and excitement.

Total: \$219

CFK-446-B	M—F 9am—4pm	Jun 26–30
	K. Barylski	CPB 213

#### Fossils and the Sands of Time

Do you know that the sand stuck between your toes at the beach last summer was millions of years old? Where do you think that sand came from? Is all sand alike? Students will use microscopes to analyze and identify sands from around the world and study crystals, fossils, geodes, and more!

#### Total: \$139

CFK-295-C	WThF 9am—4pm Staff Instructor	Jul 5–7 <i>I RC 108</i>
	51411 111511 42101	2.1.0 100

#### **Minecraft for Maniacs**

Dive into the secret world of Minecraft and rediscover the joy of building with blocks. Share game experiences and use critical thinking skills to overcome game obstacles as a team, finding bigger and better Minecraft adventures. Before starting the class, you must have a PAID Minecraft account for the PC/MAC.

#### Total: \$139

CFK-330-C	WThF 9am-4pm	Jul 5–7
	T. McCaw	CPB 212

#### Around the World

Adventure to Asia, South America, Africa, Europe, and Australia! Each day we'll visit a new, exotic land across the globe. From kangaroos to Buckingham Palace, to the tulips of Amsterdam and the Andes Mountains and beyond, explore the people, places, animals, and foods that make up the beautiful world in which we live.

#### Total: \$219

CFK-354-D M—F 9am—4pm Jul 10—14 Staff Instructor CPB 123

#### **Computer Games: Programming Pros**

Pick up from your "Computer Games: Digital Designers" experience and join our game development company, where you work as a team to create a super product. No pressure, but other classes will beta-test your product, so bring your A game this week! Total: \$219

CFK-350-D	M—F 9am—4pm	Jul 10–14
	Staff Instructor	ATC 202

#### **Mad Scientist**

Captivate your curiosity and ignite your imagination during this week of "way cool" scientific discovery. Conduct experiments, research answers, and record findings. Discover the science that is all around you in everyday stuff. Make slime, find the density of popcorn, and explore the chemistry of bubbles.

#### Total: \$219

CFK-141-D	M—F 9am—4pm	Jul 10–14
	S. Miller	STEM 404

#### Creating a Fictional World: Intro to Writing Fantasy

Do you love to read and write stories? Are your favorite stories the ones that take place in "worlds" of their own? If you love science fiction and fantasy like Harry Potter, Star Wars, and Eragon, this class is for you! Go behind the scenes of some of literature's most famous fantasy/sci-fi settings, and then create one of your own. Develop a "world" journal to help you establish the rules of your own special fictional place. Design your world's geography, history, weather, plants, animals, and even people. Then just add stories! In this class, we'll do some writing, plus lots of hands-on activities like building a 3-D map, creating a diorama, and sculpting a creature or person from your world.

#### Total: \$214

CFK-234-E	M—F 9am—4pm	Jul 17-21
	H. Wallen	CPB 212

#### NEW! Creativity and Design Through Tech

Take your tech and creativity skills up a notch. Through this introductory camp, you will explore the digital art form of graphic design and video production and learn the basics of coding that will help you create digital content from a mere idea to the final product. We will focus on Apple-based applications as well as various web-based design apps.

#### Total: \$214

CFK-487-E M—F 9am—4pm *B. Baine*  Jul 17—21 *KEP 210* 

#### **NEW! Ecology and the Great Outdoors**

Do you love nature? Want to learn more about it and how humans have positively and negatively impacted nature? Together we will learn to analyze the health of the natural world that surrounds us and find ways to use our knowledge to help create a positive future for us and the natural world.

#### Total: \$214

CFK-360-E	M—F 9am—4pm	Jul 17–21
	Staff Instructor	CPB 121

#### Junkyard Art

One man's trash is another man's treasure. See how Duct Tape really is the best invention ever, from medieval armor projects to wallets, accessories, etc. Other projects include making objects such as bird feeders, musical instruments, and other treasures out of recycled materials!

#### Total: \$214

CFK-338-E	M—F 9am—4pm	Jul 17–21
	S. Miller	ATC 105

#### Ninja Warrior

Your child has always claimed to be a real ninja. Now's the time for them to prove it as they put their skills to the test! This is a multi-skilled level course, from the beginner to the most advanced Ninja Warrior fan! Students will become familiar with ninja terminology and skill concepts through a variety of fun, individualized competitive activities.

#### Total: \$214

CFK-459-F	M—F 9am—4pm	Jul 24–28
	S. Miller	ARCC 224

#### The World of Harry Potter

The world of Harry Potter is filled with science, story, math, muggles, history, and hilarity. Join us as we explore everything that makes the Hogwarts universe magical and mysterious, dramatic and detailed, creative and crafty. Grab the Hogwarts Express at Platform 9 3/4 for a week full of fun. Warning, spoilers!

#### Total: \$219

### DISCOVERY ACADEMY TEENS

#### ART

#### **NEW!** The Art of Filmmaking

Learn the basics of how to make a short film. Gain tips and techniques to take your short film idea to a script that can be filmed on a teenage budget and timeframe - maybe even using your cell phone! Discuss your goals and what you want to accomplish with your film. The class will be a fun and interactive introduction to making what will perhaps be your first short film-taught by award-winning filmmaker and screenwriter Don Thompson. Applications for this select program are available on the website and will be accepted starting February 15, 2023.

#### Total: \$249

DAC-003-A	Tu—F 9am—4pm	Jun 20–23
	D. Thompson	KEP 209

#### **NEW!** In a Snap Shot

Challenge yourself over the week to look beyond the surface of a photo, analyze its various parts, and synthesize the information garnered to develop a deeper understanding of the image and the world. Sharpen your observation and analysis skills, hone your writing skills by using your observations to construct well-written analyses, and embark on your own photo essay project to share with your peers.

Total: \$249

DAC-005-B M—F 9am—4pm Jun 26—30 S. Daughenbaugh CPB 214

#### **NEW! Dear Evan Hansen Camp**

Spend a week immersed in theater camp based on Steven Levenson's Tony Award®-winning Broadway musical, Dear Evan Hansen. Audition, rehearse, and explore the technical and performance processes of putting on a show. You will work collaboratively to perform vocal selections, execute choreography, and act in scenes of your creation. At the end of the week, put on a revue-style Dear Evan Hansen showcase.

#### Total: \$239

DAC-007-B M—F 9am—4pm *E. Burke*  Jun 26–30 *KEP 101* 

#### **NEW!** Introduction to Playwriting

Playwriting is an ancient writing form dating back to the Greeks and Shakespeare. This class will look at playwriting from a modern perspective and how you can begin to shape your modern story idea into a play that can be presented on stage with actors. The class will use scenes from existing modern plays as examples of how you can convey your ideas in a way that can be appealing to the actors and directors who will ultimately make your writing come to life. Taught by award-winning playwright and filmmaker Don Thompson. Applications for this select program are available on the website and will be accepted starting February 15, 2023.

#### Total: \$299

DAC-006-B	M—F 9am—4pm	Jun 26-30
	D. Thompson	KEP 100

#### NEW! Introduction to Song Writing and Music Production

Connect with your creativity and learn how to compose the perfect song to fit your artistic personality. This introductory course will examine music genres, song structure, production needs, and marketplaces for publishing. Join us to gain insight into a potential songwriting and music production career.

#### CERTIFIED MEDICAL ASSISTANT

#### 🗘 Clinical Medical Assistant I

Clinical Medical Assistant I is the first of a four-part series for students wanting to take the NHA certification exam to become a Certified Medical Assistant. The student will learn basic patient skills, the role as a member of the health care team, disease processes, cultural diversity, infection control and safety issues through lecture, discussion, and hands-on practice. This course provides the medical assistant student with the clinical theory and skills that are utilized in a medical practice. Emphasis is placed on patient examinations, patient care and education, assistance with rehabilitative treatments and modalities, medical and surgical asepsis, and wound care. Review of basic pharmacology, including oral and parenteral drug administrations is also provided. Pre-requisites: NRS-536 Human Anatomy, HCE-024 Medical Terminology, and HCE-108 Foundations of Healthcare.

#### Total: \$975

#### PHLEBOTOMY

#### Phlebotomy: Theoretical and Practical Applications

In Phlebotomy: Theoretical & Practical Applications. students learn basic phlebotomy technical background and professional preparation for working as a phlebotomist. Students are introduced to anatomy and physiology with special emphasis on the cardiovascular and lymphatic system, applicable medical terminology, and an overview of healthcare settings where phlebotomy services are performed. Students learn and apply professional ethics and behavior; interpersonal and written communications, including cultural competency; systems of documentation; and safety and infection control. Students will develop knowledge and comprehensive skills to prepare them to perform venipunctures completely and safely as they progress to Practical Applications. For Practical Applications students learn to perform venipuncture and specialized phlebotomy procedures. Students are familiarized with blood collection equipment and selection, specimen handling, and identifying complications related to blood collection and medical errors. Students train on a variety of procedures and techniques for typical and special populations. Special topics in specimen uses for testing in forensics, workplace, and sport are explored. Hands-on skills practicums prepare students for the clinical course. The full program includes classroom and both in-class and on-site clinical practice at local health care facilities. This program requires study time outside of class and includes both written and practical (hands-on) skills assessments, which must be passed prior to starting the clinical course. The program prepares students to take several national certification exams. Prerequisite HCE-108 Foundations to Healthcare Careers.

#### **BASIC LIFE SUPPORT**

#### **BLS Certification**

The American Heart Association Basic Life Support (BLS) for Healthcare Providers (HCP) (C) is a classroom course that is designed to teach a variety of healthcare professionals how to recognize a number of life-threatening emergencies, how to provide CPR, how to use an AED, and how to relieve choking in a safe, timely, and effective manner. This course is for healthcare professionals who must know how to perform CPR, as well as other lifesaving skills, in a range of in-hospital and out-of-hospital settings. Textbook cost is included in the BLS full course fee. AHA requires each student to have a textbook available before, during and after the course. Students must pass a written exam and skills test in order to receive an AHA/BLS for Healthcare Provider (C) course completion card. American Heart Association guidelines require that classes run within a specified time period. Please be aware that failure to arrive for class on time may result in having to reschedule for a later date.

### INDUSTRIAL TECHNOLOGY & TRADES

### BLACKSMITHING

### **NEW! Basic Blacksmithing**

Develop super powers and bend steel with your hands using skills from one of the oldest trades. Basic Blacksmithing introduces you to the art and science of forging and shaping metals as a hobby or a future career. This class will cover safety, equipment, and techniques for your first blacksmithing projects, whether artistic or practical, and provide guidance on setting up your own blacksmith shop. (No textbook required).

### BLACKSMITHING TECHNOLOGY PROGRAM

### NEW!

The Basic Blacksmithing course brings back one of the first apprentice trades in the country. The program introduces participants to basic blacksmithing techniques, use of blacksmithing tools, metallurgy, and techniques for forging, grinding, heat treating, and finishing projects. Completing the program prepares individuals to create custom metal or iron works, craft custom blades as a bladesmith, or provide horse showing as a farrier.

See individual class descriptions for details.

www.hagerstowncc.edu/ blacksmithing-technology-courses

### 🗘 Diesel Technician Program Part II

Become proficient in preventative maintenance and inspections for heavy duty vehicles through hands-on shop activities in the part two of the Diesel Technician Program. Topics in part two expand on preventive maintenance schedules, engine systems, on board diagnostics, brakes/suspension, and major vehicle components. Review topics include preparation for the ASE Medium/Heavy Truck Test T2, Diesel Engines; Test T6, Electrical/Electronic Systems; and Test T8, Preventive Maintenance Inspection. (Textbook included)

### Pontiac's War, 1763-1766

Following the French & Indian War, 1754-1763, an international coalition of Indian nations attempted to push British military presence and settlement back east of the Appalachians. Raids & attacks occurred from Michilimackinac to the Mohawk and Mississippi Rivers, several British forts were besieged and taken. The war witnessed the use of germ warfare, the massacre of Indians in Lancaster, PA, and open rebellion against the British by settlers in the Cumberland Valley of Pennsylvania. This program examines the causes of the war, covers its major events, and assesses its impacts.

### Fort Ritchie: Ritchie Boys and Revival

From 1926 until its closure in 1998, Fort Ritchie trained soldiers for every war from World War II through the Gulf War. For the past two decades, the former Army Post has fallen into disrepair; however, tremendous efforts have been made in the last year to revive Ritchie's potential in Washington County. Explore the historic district with the Post Historian to learn about the area's long and interesting history, geography, and its increasingly famous 'Ritchie Boys' who have been the subject of several documentaries, books, and were recently recognized by the United States Senate for their important efforts during World War II. Classes meet in the parking lot of the Fort Ritchie Chapel. To allow for a more personal experience, classes are limited to 12 students per session. Rain date: Sunday immediately following. Monetary donations to the Ritchie History Museum are appreciated, but not expected. Meeting Location: Greenhouse Cafe, 14410 Lake Royer Drive, Cascade MD 21719

# **ADULT EDUCATION**

# AIM FOR SUCCESS

### ACQUIRE HIGH SCHOOL DIPLOMA

# HCC will partner with you to make it happen.

HCC Adult Education offers FREE assessment, advising, classes, tutoring support, and a professionally-staffed computer lab — for those wanting to acquire their high school diploma or improve their educational skills.

When you meet the required placement scores, you can enroll in the National External Diploma Program (NEDP). The NEDP classes are offered both day and evening at a variety of locations in the Hagerstown area.

Make a phone call and get started! Speak to someone who looks forward to partnering with you. Call 240-500-2313 — Mon-Fri, 8:30 a.m. – 4:30 p.m. Or visit hagerstowncc.edu/adulteducation.

### HCC Main Campus

# **CUSTOMIZED TRAINING**

HCC partners with your organization to identify, understand, and address internal issues. Professionals at HCC customize training programs unique to your company and employees.

HCC staff was flexible, detail-oriented, and open-minded. We value our partnership in providing workforce solutions to enhance the job skills of those who need them.

Western Maryland Consortium

Let us know what customized training your organization needs!

Maureen Iskra 240-500-2490 I think both trainings were excellent. Staff were very complimentary. It was the best training we have ever provided staff.

Washington County Free Library

- ETTC Energy and Trades Training Center
- KEP Kepler Center
- LSC Learning Support Center
- STEM Science, Technology, Engineering, and Math Building
- VMC Valley Mall Center
- HSA Hagerstown Seventh-Day Adventist Church Hall

**Equal Opportunity College:** Hagerstown Community College does not discriminate against any individual for reasons of race, sex, color, religion, national or ethnic origin, age, sexual orientation, or conditions of disability in the admission and treatment of students, education programs and activities, scholarship and load programs, hiring of faculty and staff, or any terms and conditions of employment. The college is committed to affirmative action. Individuals requiring special accommodations are requested to contact the Office of Student Services at 240-500-2240 to make arrangements no later than 10 days prior to the meeting or course

# WSCE POLICIES

### **Opportunity & Accessibility**

See full statement on page 38.

### Non-Credit Course Disclaimer

Course and class information listed in the Non-Credit Course Schedule, promotional literature and on the College website are subject to change. The College regrets any discrepancies or typographical errors.

Continuing Education and Workforce Development wants every student to be successful; however, we recognize that a course or training program may not always be the best match for a student. Thus, the College reserves the right to decline a student registration into any career-training course or program where the student has unsuccessfully attempted the same course or training program twice or because of poor performance in the program.

### **Tuition and Fees**

Any Maryland resident 60 years of age or older who enrolls in a Maryland funded course is exempt from payment of tuition but must pay the \$35 fee (or higher fee if indicated in the course description) and any other applicable fees. Tuition does not include any fees or cost associated with a self-supporting program.

All students who enroll in continuing education classes which are not eligible for state funding shall pay full tuition and fees.

All students registering for an open enrollment course shall pay an \$8 registration fee. Checks should be made payable to Hagerstown Community College. There will be a returned check fee of \$35 for checks returned for insufficient funds.

For information about tuition assistance for individuals with disabilities, please call 240-500-2273.

### **Employer's Tuition Assistance**

If your employer is paying for your course, we must receive a purchase order or a letter on company letterhead along with your registration form. The purchase order or letter must state what the employer is paying (i.e. tuition, material fee), your name, and the course(s) in which you are enrolling. Registrations will not be processed without this paperwork. If the employer is paying for your textbook, a separate letter or purchase order must be submitted to the Bookstore at the time of purchase.

### Admissions

Anyone 16 years of age or older is eligible for admission (unless specified otherwise).

### **Birthdate and Social Security Number**

Your social security number and birthdate are requested on our registration form for use as student identification numbers to help us avoid duplicating records and mailings. It is for internal use only and remains confidential. Your birthdate is required by the Maryland Higher Education Commission.

### **Course Cancellations**

Each non-credit class requires a minimum number of enrollees to run. The decision to hold or cancel a class is made, in most cases, three business days prior to the start of the class. The college, however, reserves the right to cancel a class at any time due to unexpected circumstances. In these events, students will be notified via phone and/or email.

### **Refund Policy**

- **Course Cancellations:** 100% refund will be issued for any course the College cancels.
- **Before Course Begins:** Course withdrawals and requests for full refunds may be made up to 24 hours before the course begins by calling Continuing Education at 240-500-2236. Some exceptions may apply and will be noted in the course description.
- After Course Begins: Refunds are not awarded after a course has started.

The above refund policy does not apply to College for Kids and Cultural Day Trips. Call 240-500-2236 for College for Kids and trip refund information.

### **Use of Cell Phones During Class**

Cell phones should be turned off or set to silent when class is in session. Calls must not interrupt the class. If students have to make or take calls on an emergency basis, please step out of the classroom to do so in order to minimize the disruption.

Parking – see page 38

### **Emergency Closing**

In case of severe weather or other emergency conditions, you should check HCC's website (www.hagerstowncc.edu) or Facebook page (www.facebook. com/hagerstowncc).

We will not necessarily close when the public schools do. When the public schools are closed due to weather or emergencies, all classes at public school locations are cancelled. When the college closes, all classes at off-campus sites are canceled.

Classes canceled due to inclement weather or emergencies will be made up.

### Non-Credit/Credit Shared Courses

Selected courses may be taken for either academic credit or a non-credit basis. Should the student desire to transfer from non-credit to credit, the student must transfer by the second week of class. In order to transfer from non-credit to credit, the student must first drop the course through Continuing Education and then register in the Registrar's office. Students who have completed the non-credit course will receive a Certificate of Completion but will not be awarded college credits and may not earn college credit for the credit course by exam.

### **Certificate/CEU Information**

Students do not receive grades for Continuing Education courses. Some non-credit courses offer Continuing Education Units (CEUs). You must inform the instructor if you need CEUs.

### WSCE POLICIES, continued

### **Code of Student Conduct**

Hagerstown Community College has established rules of behavior that must be followed so that the teaching/ learning process is not disrupted. A copy of the student handbook is available in the Student Activities Office.

### **Smoking Policy**

Hagerstown Community College is committed to providing a safe and healthy working and learning environment for students, faculty, staff, and visitors. Effective January 1, 2015, HCC will be a tobacco-free campus. The Tobacco-Free Policy applies to all Hagerstown Community College facilities and vehicles, owned or leased, regardless of location. Smoking and the use of tobacco and e-cigarette products will not be permitted on any HCC property, including all buildings and facilities, walkways, recreational and athletic areas, building entrances, and parking lots. This policy applies to all students, faculty, staff, and other persons on campus, regardless of the purpose of their visit. To learn more, visit www.hagerstowncc.edu/tobaccofree

### ed2go Online Course Registration Information

Online courses offered by HCC can be attended based on your personal schedule, day or night. New classes start on the second Wednesday of each month with two lessons posted each week. Print the online registration form and forward it along with your payment to Hagerstown Community College, Continuing Education Registration.

Questions? E-mail us at online@hagerstowncc.edu.

# HOW TO REGISTER

### Choose YOUR Option:
