Dean's Welcome

Dear HCC Student,

We are so happy to welcome you to the HCC family for the 2023-2024 academic year. As you begin this new year, know this ~ colleges take focus, time and dedication to be successful. It's not uncommon for some students to encounter unforeseen obstacles. If you experience challenges, assistance is easily found – you just have to seek it. Do not struggle in silence if life gets in the way and your classroom learning is jeopardized.

Our Retention & Registration Office can help you navigate challenges you may experience on your way to program completion. Your faculty are happy to address class concerns and to provide feedback on your academic performance. HCC's Student Activities office and Student Government Association leaders enthusiastically offer co-curricular activities for students seeking out-of-the-class engagement and leadership opportunities. Our Learning Support Center, Library, and Learning Technologies teams want to enhance your learning experience with tutoring, research, and D2L support. If you need assistance and find yourself unsure where to go, just go onto the HCC website, click the Current Students tab, and complete a Need Help? Student Assistance form – this form comes directly to my office and my Student Affairs team will be happy to point you in the right direction. Everyone who works at HCC wants YOU to be successful; allow us to help you get to graduation day!

The information in this Student Handbook is also a great way to learn more about HCC and to find answers. Paper copies are available in the Student Activities or Dean of Students offices. Also, the 2023-2024 HCC Student Planner is available for FREE in Student Activities – check it out!

We are glad you chose to make HCC your college home and we are eager to witness your success in the year ahead.

Sincerely,

A handwritten signature in black ink that reads "Christine A. Ohl-Gigliotti".

The Finance Office is available for students to make payments or inquiries on their account. Students should first access the Student Finance area of Self-Service as it offers students an in-depth look at their student account on demand. Students are able to view and print their detailed account statements, make payments online, sign up for the Nelnet Payment Plan, elect to have their student refund directly deposited into their bank account and view tax information. Students need to pay attention to the important payment and refund deadlines so they are not removed from classes due to lack of payment or find themselves responsible to pay for a class they registered for but decided not to take. If a student's tuition is being paid by a third party, please forward paperwork to the Finance email listed above.

Financial Aid

Location: Administration Building, room 500

Phone: 240-500-2473

The Student Financial Aid Office is located in the Administration and Student Affairs Building. There are many forms of financial aid available at HCC such as: grants, scholarships, loans, and work study. Federal and Maryland state aid is available to students who qualify. To determine eligibility for financial aid, students are required to complete the Free Application for Federal Student Aid (FAFSA). Ideally, students should complete the FAFSA within 24 weeks prior to starting classes. Students receiving Federal loans should pay attention to loan disbursement and refund dates to plan accordingly for personal expenses; HCC's first disbursement date typically occurs about mid-way through the semester.

Qualified children of undocumented immigrants who are eligible for in-state tuition under §15-106.8 of the MD Education Article also are now eligible to apply for various State financial aid grants and scholarships by completing the Maryland State Financial Aid Application (MSFAA). These programs are the: Howard

P. Rawlings Educational Excellence Awards Program, Part Time Grant, Maryland Community College Promise Scholarship, and the Richard W. Collins III Leadership with Honor Scholarship. Please visit mhcc.state.md.us/Pages/MSFAA-FAQS.aspx for further information.

Be sure to ask for guidance from the Student Financial Aid Office before dropping a class or withdrawing from the college. Per Federal guidelines, attendance requirements for financial aid recipients are very strict. Students who do not complete a class in which financial aid was received may no longer be eligible for the full amount of financial aid received and may be required to pay back unearned funds.

HCC Foundation Scholarships are usually awarded to students with financial need and who show scholastic promise. The Foundation offers a number of scholarships each with its own criteria and dollar amounts. Specific details about the scholarship process are available on the HCC website.

Don't miss a minute of the campus life waiting OUTSIDE the classroom. Stay connected with classmates and instructors, or meet new friends by joining a student organization, going to the many campus events planned each month, and attending leadership development activities.

The mission of HCC's Student Activities Program is to develop a wide range of co-curricular opportunities for students to achieve their highest levels of personal and academic success. The department strives to support the College mission of cultivating civic-minded awareness by engaging students both on campus and in the community through cultural, social, recreational, and leadership enrichment programming.

Waiver of Liability

Participation in College sponsored off-campus activities and certain on-campus activities is voluntary. Students participating in activities in which there is a potential risk of physical injury are expected to sign an HCC waiver of liability. While the college takes precautions to minimize potential hazards, it is each student's responsibility to take whatever safety measures are necessary to protect themselves.

College Events Notifications

The easiest way to get involved is to keep up with what's happening on campus. Here are some ways to find out about upcoming activities:

- Student email notices
- Bulletin boards located in all buildings
- Events calendar on HCC's website: www.hagerstowncc.edu/calendar
- HCC social media sites
- Text messages

Esports Center

The HCC Esports Center allows students to engage in both the casual and competitive sides of gaming. With a suite of high-end gaming PCs available in STC 170 for general student use, students can relax or sweat between classes. The Center has normal hours of 11:30 a.m. to 4 p.m., Monday through Friday. The following titles are currently offered: Apex Legends, Counter-Strike: Global Offensive, Fortnite, Hearthstone, League of Legends, Overwatch 2, Rocket League, and Valorant.

The Student Government Association office is located in the Student Center. The SGA Constitution can be found at www.hagerstowncc.edu/docs/sga-constitution.

Don't miss out on your opportunity to learn about all of the benefits that PTK has to offer its student members.

Shared Governance and Decision-Making

The HCC Board of Trustees approved an institutional model for shared governance and decision-making. According to the model, a number of campus-wide standing committees form policy statements which are communicated widely to campus constituencies before being presented to the President and then to the Board of Trustees for approval.

The Student Government President is a member of the Governance Council which determines the issues and concerns that standing committees should address. The Student Government Vice President is a member of the Student Affairs Committee that creates policies relating to registration-oriented processes, student activities and athletics, career development, and student success. Other standing committees will consult the Student Government Association for feedback about their potential policy statements.

Student Organizations

HCC's students and employees are proud of the extracurricular organizations and programs offered on campus. Organizations can enrich the college experience by introducing students to new interests, friends and experiences. Student organizations form throughout the year, so check the website for the most up-to-date list. Membership is open to all active students. Campus Safety and Emergency Preparedness

Behavioral Intervention Team (BIT)

The goal of HCC's Behavioral Intervention Team (BIT) is to document, review and provide outreach to students exhibiting concerning behaviors. The BIT provides a proactive and holistic approach to addressing concerning behaviors, with the goal of intervening before a student develops a more serious problem and/or demonstrates behavior threatening to the safety and well-being of the campus community. The BIT process is separate from the Code of Student Conduct process, which is reserved for students who are alleged to violate established campus rules for conduct. It is important that members of the campus community "See Something, Say Something." Reports regarding concerning student behavior may be made to Campus Police (if urgent, 240-500-2308) or the Dean of Students Office (STC 142, 240-500-2526); additionally, completion of the online Student Assistance Form (hagerstowncc.edu/studentassistance) will generate an immediate text message notification to a member of the BIT team. Reports may be made anonymously.

Campus Police

Location: Learning Resource Center, room 115

Office Phone: 240-500-2308

Emergency On Campus: 911

Email: campopol@hagerstowncc.edu

Website:

www.hagerstowncc.edu/about-hcc/campus-police

The Campus Police patrol the campus and enforce all College and Maryland state traffic and parking laws. Other responsibilities include, but are not limited to:

- Fire prevention
- Emergency planning
- Crisis intervention
- Response to medical emergencies
- Security surveys
- Crime detection and prevention
- Incident reporting
- Roving patrols
- Lost and found
- Parking coordination for special functions

The office and emergency numbers for campus police can be found on the back of the student ID card. Contact campus police for help with any of the following:

- Escort to car if feeling unsafe due to weather or time of day
- Getting keys out of a locked car
- Jumpstarting a car

To help the Campus Police provide the best possible crime prevention service, timely reporting is essential. The sooner an event or incident is reported, the sooner action can be taken and a resolution obtained.

The Campus Police handle all reported information confidentially. Reports are usually available to those persons directly impacted by the report. In some cases, reports are available to other agencies. Names of suspects and/or witnesses are not released unless approved by the HCC president or mandated by law.

Please help to keep the campus safe for everyone by reporting any unusual or suspicious persons and incidents or any unsafe conditions. Use common sense and take appropriate precautions.

College Closings

(Emergencies and Inclement Weather)

When severe weather and other emergencies occur that impact classes or other campus activities, announcements are made on local radio and TV stations, posted on the College website (www.hagerstowncc.edu), posted on the official College Facebook (www.facebook.com/hagerstowncc) and Twitter (www.twitter.com/hagerstowncc) accounts and noted on the College switchboard recording. Students and others who have business at HCC are cautioned to listen for specific mention of HCC being closed, since the College does not always close when weather conditions make it necessary for the Washington County Public Schools to close.

HCC holds classes at various community locations, including its Valley Mall Center. Classes held at off-site facilities are subject to the following cancellation or delayed start procedures:

- If HCC is closed or has a delayed opening due to inclement weather, classes scheduled at off-site locations are also cancelled or delayed.
- If HCC is closed or has a delayed opening due to an emergency situation which affects only its main campus, classes held at off-site locations will run as scheduled unless specified otherwise.
- If HCC is open and the off-site facility has issued a closing or schedule change, then HCC classes held there will follow the schedule change issued by the off-site facility.

The College does everything it can to keep the campus safe and productive during inclement weather. During periods when severe weather is forecasted, HCC officials are in regular contact with weather specialists and county and regional roads departments.

Since travel conditions are not the same for all students in the tri-state area, the College policy is to remain open, if possible, for those students who can attend during inclement weather. However, when weather conditions are so severe, HCC does close and all classes and campus activities are cancelled.

It is College policy to treat student and employee tardiness and absences very liberally on inclement weather days. All faculty and staff understand that on challenging weather days, students are not to be penalized if they are unable to make it to class or are late to arrive. In such cases, students need to contact their faculty members (preferably through email in advance of the scheduled class) indicating that they have special weather-related circumstances that prevent their attendance.

- HCC Twitter account: www.twitter.com/hagerstowncc

For more information about college closings, visit www.hagerstowncc.edu/college-closings.

Delayed Openings

When class schedules are affected by a delayed opening, the class will meet if 30 minutes or more of the class time remains after the start of the delay. Once the college is open, the regular schedule resumes for that day.

When the college has a delayed opening, the first floor entrance of the Learning Resource Center nearest the Washington County Commuter bus stop will be unlocked for students who arrive on campus prior to the college opening. This central campus location enables facility staff and campus police to communicate with students on campus as needed while providing a safe, warm location.

Emergency Operations Plan (EOP)

The safety and security of the College community are of vital concern. HCC is committed to providing and maintaining a safe environment for all employees, students, visitors, and guests. The College will adopt reasonable and practical means to prevent, deter and respond to campus emergencies. The Emergency Operations Plan (EOP) and the allocation of resources to support the plan are part of the commitment HCC has for the College community. In order to provide a safe environment, the College seeks to maintain a balance between safety and retaining the openness of a college campus. The College provides an emergency notification system to keep employees, students, visitors, and guests informed of emergencies. Sign up at www.hagerstowncc.edu/emergency.

Hate Crimes and Bias

Hate crimes manifest when an alleged victim was intentionally selected because of the perpetrator's bias or because the perpetrator perceived the person to be in one of eight protected group categories: religion, race, sexual orientation, gender, gender identity, ethnicity, national origin, disability. Hate crimes that occur on campus or between students should be reported to HCC Campus Police as soon as possible, 240-500-2308. Students may also seek support from the Dean of Students Office.

HCC Siren

During an emergency on campus, the College will initiate the use of its external siren system to alert the campus of the emergency. When hearing the siren, listen to the message immediately following for directions. Check your phone for HCC text alerts and HCC emails for additional instructions.

Lost and Found

The Lost and Found is maintained by the Campus Police. The Campus Police will initiate a Property Report on all items found or recovered. Items will be held for at least 30 days. The person(s) who found the item(s) may make an application to claim the property in the event that the rightful owner(s) cannot be located.

Opioid Overdose

HCC has placed NARCAN in all of the student use buildings on campus. The Narcan is located inside the AED boxes on campus. If you would like information on NARCAN training or would like information concerning opioid addiction/overdose, please contact Campus Police at 240-500-2308.

Parking and Traffic Regulations

Facilities and Permits

The campus map displayed on the inside back cover of this handbook shows all parking areas and the identification letter of each area. Parking is monitored year-round, seven days/week

Student parking spaces are designated on campus with WHITE lines. Any space with YELLOW lines is for staff/faculty and some are marked for visitors only. All vehicles must be parked inside the lined spaces, and should not be on the grass, or infringe on adjacent spaces. No parking is permitted along curbs, in crosshatched areas, or in any restricted zone designated by permanent or temporary signage, or blocked off with cones or barricades.

Parking area "B" is for staff and there are some spaces for visitors and new student registration. All spaces are yellow indicating not a student parking area.

Parking area "C" is designated in yellow for staff parking, but is open to student parking beginning at 5 p.m. each day.

Parking area "G" has select spaces marked by double lines of white and yellow. This indicates that students or staff may park there.

There are restricted spaces throughout the campus for handicap permit holders. Unattended vehicles blocking traffic or causing hazards are subject to a citation and being towed at the owner's expense.

During normal operations, all students, faculty, and staff must display an HCC parking permit on their vehicle(s) parked on campus. Permits are available for free at the Student Activities Office located in the Student Center. Any vehicle without a permit will be issued a parking citation. Permits must be properly affixed to the lower right corner of the rear window. Any further questions regarding display of permits should be directed to the Campus Police at 240-500-2308.

Vehicles Parked Overnight

If vehicles will be parked overnight because of emergency circumstances or college-related business, please park in lot G and notify the Campus Police at 240-500-2308. All other vehicles left overnight will be subject to being towed at owner's expense.

Traffic on Campus

Traffic on campus is closely monitored. Speed limits are clearly marked and may be controlled by radar. There are pedestrian walk areas with safe speed limits posted and motorists MUST grant the right of way to pedestrians. Stop signs and restricted parking areas are also closely monitored. Please obey all parking and traffic laws while on campus.

Fines and Appeals

Fines for parking violations can be appealed or paid at the Finance Office in the Administration and Student Affairs Building. Payment within 10 days of the fine are reduced by 50%. The appeals process is defined on the back of the citation. You can request a trial for the violation in the District Court of Maryland. Failure to comply with the citation could result in a hold on the student's records and/or a notification to the Maryland Vehicle Administration for suspension of the vehicle's registration.

Registered Sex Offender Information

All registered sex offenders wanting to enroll at HCC must identify to and schedule a meeting with the Dean of Students and a representative from Campus Police. Prospective students are not permitted to be on campus prior to this meeting and should have applied for admission to HCC prior to this meeting so they have a student ID # assigned to them.

At this initial meeting, standard campus procedures for sex offenders will be reviewed and signed. Following this meeting, the student may take placement exams in the Testing Center and meet with a Retention Specialist for new student advising.

Following class registration, the Dean of Students will communicate with the student if specific parameters for enrollment, based on their enrollment goals, need to be placed.

Prior campus life and conduct history will be taken into consideration. Continuing students who are registered sex offenders may be asked to meet with the Dean of Students & representative from Campus Police together prior to each semester of enrollment to ensure parameters are adjusted per course selection and to review registry status.

The College reserves the right to adjust parameters outlined each semester based on the students' behavioral history. Registered sex offenders should allow up to four weeks to complete the process prior to starting classes.

Sex offender information can be obtained from the Maryland State Sex Offender Register at www.dpscs.maryland.gov/onlineservs/socem/default.shtml.

Service Animals

Service animals, defined as dogs or miniature horses that are individually trained to do work or perform tasks for persons with disabilities, are permitted on campus in accord with guidelines set forth in the Disability Support Services Handbook. Non-service animals are restricted from campus buildings; exceptions can be granted via the Dean of Students.

Use of Computing, Network and Communications Resources Policy

HCC will provide access to students, faculty, staff, and others by special arrangement and ensure that College computing, network and communication resources are used appropriately in the conduct of College-related business and activities. Use is governed by all federal, state, and local laws and any related College policies, guidelines and procedures. College Tobacco-Free Policy

Hagerstown Community College is committed to providing a safe and healthy working and learning environment for students, faculty, staff, and visitors on its campus, and therefore adopted a Tobacco-Free Policy effective January 1, 2015.

The Tobacco-Free Policy applies to all HCC facilities and vehicles, owned or leased, regardless of location. Smoking and the use of tobacco and e-cigarette products shall not be permitted on any HCC property, including all buildings and facilities, walkways, recreational and athletic areas, building entrances, and parking lots. This policy applies to all students, faculty, staff, and other persons on campus, regardless of the purpose of their visit.

The College administration shall establish appropriate procedures and consequences, which may include fines or disciplinary measures, for violations of this policy and create an information campaign and signage. In consideration for tobacco users, college administration shall offer ongoing tobacco cessation programs to assist and encourage individuals who wish to quit. More information on this policy can be found at www.hagerstowncc.edu/tobaccofree.

Student Drug and Alcohol Abuse Policy

I. Statement of The College:

The College, recognizing that drug and alcohol abuse present serious threats to individual health and community safety, strives to maintain a campus free from the illegal use and abuse of alcohol, and from the use, possession or distribution of illegal drugs. Drugs and Alcohol will not be allowed to interfere with student learning or extracurricular activities.

The College strictly enforces state and federal laws that prohibit illegal drug and alcohol use, such as the Federal Drug-Free Workplace Act of 1988, the Federal Drug-Free Schools and Community Act Amendments of 1989, and the drug and alcohol abuse policies of the Maryland Higher Education Commission.

All HCC students are covered by this Drug and Alcohol Abuse Policy. Some College programs or activities, such as nursing or intercollegiate athletics, may have additional “drug free” requirements externally and/or internally imposed on students.

II. Definitions:

A. Alcohol means alcohol, brandy, whiskey, rum, gin, cordial, beer, ale, porter, stout, wine, cider, and any other spirituous, vinous malt or fermented liquor, liquid, or compound, by whatever name called, containing one half of one percent or more by alcohol by volume, which may be ingested.

B. Drug means:

1. Substances recognized in the official United States Pharmacopoeia, official Homeopathic Pharmacopoeia of the United States, or official National Formulary, or any supplement to any of them; and
2. Substances intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in man or other animals; and
3. Substances (other than food) intended to affect the structure of any function of the body of man or other animals; and
4. Substances intended for use as a component of any article specified in clause 1, 2, or 3 of this paragraph; but does not include devices or their components, parts, or accessories.

C. Drug includes:

1. A controlled dangerous substance that is regulated under the Maryland Controlled Dangerous Substances Act;

2. A prescription medication used or dispensed improperly or in contradiction to the prescription; or

3. A chemical substance when used for unintended and harmful purposes.

III. Notification:

Students will receive a copy of the HCC Alcohol and Drug Policy annually via the student handbook planner. In addition, the College conducts a biennial review to determine the effectiveness and consistent enforcement of the policy.

IV: Health Risks/Referral Services:

Alcohol and illicit drug use pose many health risks. Such use may result in: impaired judgment and coordination; physical and psychological dependence; damage to vital organs such as the heart, stomach, liver and brain; inability to learn and remember information, psychosis and severe anxiety; unwanted or unprotected sex resulting in pregnancy and sexually transmitted diseases, including AIDS; and injury and death. Information about health risks associated with alcohol and drugs may be found in the Student Activities Office.

Students may receive therapeutic intervention through referral of the Dean of Students or designee. In addition, Washington County Hospital Behavioral Services, the Washington County Health Department, and Brook Lane Health Services are community resources that provide treatment for alcohol and other drug related issues. These resources also maintain current lists of area programs such as Alcoholics Anonymous, Al-Anon, Narcotics Anonymous, and Marijuana Anonymous.

V: Alcohol/Drug Policy—Student Violations:

This policy prohibits students from participating in the unlawful manufacture, distribution, dispensing, possession and/or use of a controlled substance. Also, all students are expected to honor the College's policy of prohibiting the provision of alcoholic beverages at student events and activities held on campus. The definition of campus includes all locations where HCC classes and activities are held, which includes student travel in association with a college function.

The behavior of a college employee who is also enrolled in HCC classes is guided by the provisions included in the HCC Employee handbook. The employee status supersedes student status, especially in regard to behavioral codes of conduct.

VI: Exceptions:

For special campus events that are designed for an audience other than students, the President reserves the right to determine if alcohol may be served. Also, students of legal drinking age who participate in College sponsored activities off-campus may be permitted to drink alcohol; however, college funds will not be used to purchase alcoholic beverages. At these types of events, strict controls will be enforced in order to prevent student underage drinking and irresponsible use of alcohol by students who are of legal drinking age.

VII: Federal, State and College Imposed Penalties:

Students who violate this policy shall be disciplined through the Code of Student Conduct process. Possible sanctions include disciplinary probation, suspension, or expulsion from the institution. The College may also refer student violations to appropriate law enforcement authorities for criminal prosecution as it pertains to violation of State and Federal law.

Cannabis / Marijuana On Campus

Despite the state of Maryland permitting the personal possession and use of cannabis (marijuana) under certain circumstances for those over the age of 21, HCC prohibits the possession and/or use of cannabis on all college properties and at college-sponsored activities, including recreational and medical cannabis. Since HCC receives federal funding, the 1989 Drug-Free Schools and Communities Act (DFSCA) applies. Under federal law, cannabis is considered a controlled substance. The HCC Code of Student Conduct will be used to address students found to be in possession, use and/or distribution of cannabis on college property. Campus Police will also enforce guidelines, resulting in civil penalties if the offender is determined to have more than the personal use amount or is under the age of 21; these violations can result in monetary fines. Civil citations fall under the jurisdiction of the District Court of Maryland. The following list contains information on the civil violations and respective fines.

Civil Amount of Cannabis – “Civil Amount” means:

1. An amount of usable cannabis that exceeds 1.5 ounces, but does not exceed 2.5 ounces;
2. An amount of concentrated cannabis that exceeds 12 grams but does not exceed 20 grams; or

3. An amount of cannabis products containing delta-9-tetrahydrocannabinol that exceeds 750 mg but does not exceed 1,250mg.

Citation Information

A police officer must issue a citation for the use or possession of a personal use amount of cannabis (for offenders under 21) or the civil use amount of cannabis, both civil offenses, under CR § 5-601.1(b). If a citation is issued to a person younger than age 21 for these civil offenses, the court must summon the person for trial. The court may (1) order the person to attend a drug education program approved by MDH; (2) refer the person to an assessment for substance abuse disorder; and (3) refer the person to substance abuse treatment, if necessary. A police officer must charge by citation for the possession with intent to distribute cannabis under CR § 5-602 (criminal); or growing or manufacturing cannabis or a cannabis product under CR § 5-603(b) (criminal) if requirements under CP § 4-101(c)(2) are satisfied.

Civil Prepaid Schedule Amount and Costs – Use or Possession of the Personal Use/Civil Use Amount of Cannabis

A person who receives a payable citation pursuant to that section may pay the specified penalty or request a trial date in writing within 30 days of receipt of the citation. The amount which may be paid without appearing in the District Court of Maryland shall be \$50.00 for the use or possession of the personal amount of cannabis; and \$125.00 for the use or possession of the civil use amount of cannabis. The court costs in any case in which costs are imposed are \$5.00, in addition to any fine imposed by a judge.

Code of Student Conduct

Student's Honor Pledge: I promise to uphold the Hagerstown Community College Code of Student Conduct as outlined in the Student Handbook. As a member of the College community, I hold the qualities of honesty and integrity in the highest regard and will neither violate them nor tolerate those who do.

All HCC students in every academic program, including credit and non-credit college level students, fall under this code of conduct. Some academic programs may have supplemental behavioral codes with additional requirements. Registered Sex Offenders will have other expanded expectations regarding behavior on campus.

Student proceedings involving sexual harassment/misconduct will follow procedures defined by the Department of Education, outlined in detail at www.hagerstowncc.edu/student-affairs/sexual-misconduct-procedures

1. Basic Principles

Freedom to teach and freedom to learn are inseparable facets of academic conditions in the classroom, on the campus, at other College sites, and in the community. The student rights of free inquiry and free expression are indispensable to the learning experience and to participation in an academic community. As members of the larger community of which the College is a part, students are entitled to all rights and protection accorded them by the laws of the community.

Students are expected to exercise their freedom with responsibility. The College has established rules relating to academic integrity and behavior that students must follow so the teaching/learning process is not disrupted. Students are expected to produce work that is the product of their own learning and academic effort and will sign a pledge to that effect. Grades and degrees must represent honest work and accomplishments. If a student chooses not to abide by these rules and expectations, they may lose the privilege of attending Hagerstown Community College.

By the same token, students are also subject to all laws of the community, which are implemented by law enforcement officers. When students violate College regulations, they are subject to disciplinary action by the College whether or not their conduct

violates the law.

2. Student Bill of Rights

- A. All rights and privileges guaranteed to every citizen by the Constitution of the United States and by the State of Maryland apply to all students.
- B. Students have a right to pursue appropriate opportunities for learning in the classroom, on the campus, and in the community that are provided by the College. They should expect faculty to evaluate their performance objectively based on academic criteria, not on opinions or conduct in matters unrelated to academic standards unless that conduct violates College regulations or the Code of Conduct.
- C. Students have the right to learn in an environment in which academic integrity is valued and practiced.
- D. Students have the right to freedom of expression, inquiry, and assembly without restraint or censorship subject to reasonable and non-discriminatory College rules and regulations regarding time, place, and manner.
- E. Students have the right to inquire about and to propose improvements in policies, regulations, and procedures affecting the welfare of students through established student government procedures, campus committees, and College staff.
- F. Students shall have access to their educational records and the College will protect student educational records from dissemination or transferability without a student's consent. In this regard, it is College policy to comply fully with the provision and regulations of the Family Educational Rights and Privacy Act (FERPA) of 1974.
- G. Students have the right to an impartial hearing and the right of appeal.

3. Prohibited Conduct

Academic integrity violations

- A. Cheating on placement tests, exams, tests, and quizzes. Examples of cheating include but are not limited to:
 - 1) giving or accepting unauthorized exam material or using illegitimate sources of information,

- 2) dishonestly obtaining copies of an exam or providing or receiving information about an exam,
 - 3) exchanging information during an exam or copying from another's paper,
 - 4) using "crib sheets" or any other unauthorized aids including all electronic retrieval devices or materials during an exam, and
 - 5) taking an exam in the name of someone else.
- B. Plagiarism is the use of ideas or work of another without sufficient acknowledgment that the material is not one's own. Examples of plagiarism include:

 - 4) planting viruses on local or network drives, and
 - 5) sharing one's own or using the account number of another to access the system.

The complete Acceptable Computer Use Policy is located on the college website under Student Services.

- D. Unauthorized use of skateboards, roller blades, scooters.

- G. Mental or physical abuse, including verbal, written, or physical actions which threaten or harm individuals or which promote hatred or prejudice.

Persons who are both students and employees may also be guided by the provisions included in the HCC Employee Handbook. With the exception of student workers, employee status supersedes student status, especially in regard to behavioral codes of conduct.

4. Sanctions

The following are sanctions which may be invoked by the College for individual students, groups of students, or student organizations in cases where there has been a violation of the Code of Student Conduct. The listing is not inclusive of all options which the College may choose to exercise. The Dean of Students will maintain a record of imposed sanction(s) for behavioral violations and the Vice President of Academic Affairs and Student Services (VPAASS) will keep a record of imposed sanction(s) for academic integrity violations.

Student Sanctions:

- A. *Grade of F:* A failing grade for an assignment or for a course grade may be assigned by a faculty member for academic integrity violations.
- B. *Reprimand:* A reprimand gives official written notice to the student that any subsequent offense against the Code of Student Conduct will carry heavier penalties because of a prior infraction.
- C. *General Probation:* A student may be placed on General Probation when involved in a minor offense. Under General Probation, the student is given a chance to show capability and willingness to observe the Code of Student Conduct without further penalty. If the student errs again, further action will be taken.
- D. *Restrictive Probation:* Restrictive Probation results in loss of good standing, which may limit activity in the College community. Generally, the student will not be eligible for initiation into any local or national organization, and may not receive any College award or other honorary recognition. The student may not occupy a position of

leadership or responsibility with any College or student organization, publication, or activity. Any violation of Restrictive Probation may result in immediate suspension.

- E. *Suspension*: Suspension results in the exclusion from class(es), and/or all other privileges or activities of the College for a specified period of time as determined by the Dean of Students or designee. This sanction is reserved for those offenses warranting discipline more severe than probation or for repeated misconduct. Students who receive this sanction must request and obtain specific written permission from the Dean of Students or designee before returning to campus.
- F. *Expulsion*: When expelled, a student is dismissed from campus for an indefinite period of time and loses student status. The student may be readmitted to the College only with the approval of the President.
- G. *Restitution*: Students will be responsible for paying for damaged, misused, destroyed, or lost property belonging to the College, College personnel, students, or others.
- H. *Loss of Academic Credit or Grade*. Loss of academic credit or grade can be imposed as a result of academic dishonesty.
- I. *Withholding transcript, diploma, or right to register or participate in graduation ceremonies*: These sanctions can be imposed when financial obligations are not met. The student will not be allowed to register or to participate in commencement until all financial obligations are met.

Organizations/Group Sanctions:

- J. *Group Probation*: Group probation is given to an organization group/organization for a specified period of time. If group violations are repeated during the term of the sentence, the charter may be revoked or activities restricted.
- K. *Group Restriction*: College recognition is removed during the semester in which the offense occurred or for a longer period of time. While under restriction, allocated activity funds will be revoked and the group/organization may not seek or add members, hold or sponsor events in the College community, or engage in other activities as specified.

- L. *Group Charter Revocation*: College recognition is removed for a student group, student organization, society, or other organizations for a minimum of two years. Recharter after that time must be approved by the President.

- M. *Group Restitution*: Student organizations/groups will be responsible for paying for damaged, misused, destroyed, or lost property belonging to the College, College personnel, students, or others.

*Approved: Board of Trustees, 5/06;
revised 6/14*

The intent of the College is to impose sanctions in a progressive manner, beginning with the least punitive sanction. However, depending on the nature and severity of a student's violation, the College reserves the right to impose any of the above referenced sanctions at any time.

5. Academic Integrity Violation Process

Charges of academic dishonesty on the part of a student may be reported by any member of the College community to the person responsible for the academic endeavor, hereafter referred to as the instructor. Due process and confidentiality must be maintained throughout the process.

Step 1—Instructor/Student Communication

Communication occurs between the student and the instructor to review details of the alleged violation. Possible conclusions of this communication include mutual agreement that the violation occurred or a mutual agreement that the violation did not occur. If there is an agreement of guilt and penalty between the instructor and the student, the matter may be resolved at this level. The maximum penalty, as determined by the instructor, for the violation may not exceed a grade of "F" or a "U" in the course. Within three (3) workdays of the instructor/student communication, the instructor completes the Academic Integrity Reporting Form online.

The Academic Integrity Reporting Form includes:

- a. Instructor name and contact information
- b. Date of alleged violation
- c. Course number and section
- d. Name of student involved and student ID number
- e. Description of alleged incident
- f. Outcome of the instructor/student communication, including the penalty if applicable
- g. Support documentation for the instructor's initial claim that a violation occurred

If the outcome determined there was no violation, the Academic Integrity Reporting Incident Form will be kept on file in the Office of the VPAASS or Dean of WSCE, but will not impact the student's permanent record.

If there is mutual agreement that a violation occurred, and if the student does not have a concerning history of academic integrity violations on record, the Vice-President for Academic Affairs and Student Services (VPAASS) will send a letter of reprimand to the student and a copy will be placed in the student's file, ending the process. If the VPAASS finds the student has a concerning history of prior academic integrity violations or reports, the VPAASS may continue with the process to consider additional sanctions.

If there is no resolution due to disagreement between the instructor and the student regarding the occurrence of a violation or the penalty imposed, the process will continue.

For all outcomes for non-credit courses, the Dean of Workforce Solutions and Continuing Education (WSCE) will proceed instead of the VPAASS.

Step 2—Preliminary Investigation

If the matter cannot be resolved in Step 1, the VPAASS/Dean of WSCE will

conduct a preliminary investigation of the charge within ten (10) workdays of receiving the Academic Integrity Reporting Form.

If there is evidence that a violation may have occurred the student will receive notice of the need to participate in an administrative conference with the VPAASS/Dean of WSCE.

If there is no evidence that a violation occurred, the conduct process stops, both the student and the instructor are notified, and the Academic Integrity Reporting Incident Form will be kept on file in the Office of the VPAASS/Dean of WSCE, but not on the student's permanent record.

Step 3—Administrative Conference

At the meeting, the VPAASS/Dean of WSCE will discuss the charges and the alleged violation with a student and determine if the violation occurred and, given the student's conduct history, if additional sanctions are warranted. The outcome will be shared with the student in writing.

If the VPAASS/Dean of WSCE finds no evidence that a violation occurred, the conduct process stops, both the student and the instructor are notified, and the Academic Integrity Reporting Incident Form will be kept on file in the Office of the VPAASS or Dean of WSCE, but not on the student's permanent record.

Step 4—Appeal

If the student disagrees with the outcome of the administrative conference, the student can appeal the case in writing to the College President with seven (7) days after the written outcome is provided to the student. The College President/designee will review all documentation in the case and may conduct further inquiries. A decision shall be rendered in writing to the student within fifteen (15) work days after the written request is submitted. The student can request a meeting with the College President in their written Appeal, but a meeting is not required. The student has the opportunity to make their case in

writing, providing additional evidence if applicable. If the College President finds that no violation occurred, all charges will be dropped, all parties previously involved are notified, and the Academic Integrity Reporting Incident Form will be kept on file in the Office of the VPAASS/Dean of WSCE, but not on the student's permanent record.

6. Behavioral Violation Process

The Dean of Students is responsible for implementing confidential student discipline procedures. Complaints involving Title IX Sexual Harassment/ Sexual Misconduct violations will follow procedures defined by the Department of Education outlined at www.hagerstowncc.edu/student-affairs/sexual-misconduct-procedures.

Step 1—Charges

Any College employee, college affiliated party, or student may submit charges to the Dean of Students¹ against any student or student organization for violations of College regulations. When a student organization is charged with a violation, the organization's officers and advisor(s) will represent the organization for purposes of carrying out these disciplinary procedures. The individual(s) making the charges, herein the complainant, must complete the General Student Report Form within 14 days following knowledge of the incident. This form is available on the college website and may be completed by the Dean of Students Office when reports are shared in another way. If charges are brought against an employee by a student, refer to the General Grievance Policy for Students.

The General Student Report Form includes:

- a.name of the student(s) or organization involved,
- b. name of the person making the complaint and/or report,
- c. the alleged violation of the specific standards of the Code of Student Conduct,
- d.the time, place, and date of the incident,

e.names of the person(s) directly involved, or witnesses to the infractions, and

f. any other information that may be related to the incident.

Step 2—Investigation

Within ten (10) work days² after the charge is initiated, the Dean of Students¹ shall complete a preliminary investigation of the charge(s) and if appropriate, proceed to an administrative conference. The Dean of Students may decide that no conduct charge(s) is warranted, in which case the report is closed without conduct action.

When there is evidence that the student's continuing presence on campus poses a potential threat to any member of the college community or to college operations, the Dean of Students may immediately restrict the student's presence on campus or may suspend a student effective immediately for an interim period pending disciplinary proceedings. Such action will result in an immediate Interim Restriction or Interim Suspension.

The Dean of Students may elect to place a hold on a student's account while the case is pending. The hold may be removed at any time during the conduct process. Holds are also placed to ensure that the student responds to a meeting request, that sanction requirements are met, and to prevent non-eligible students from registering for future classes.

Step 3—Administrative Conference

At the meeting, only the Dean of Students¹ and the accused student or organization will discuss the charges; if the case involves alleged threatening behavior, another campus administrator or a campus police officer may be present. At the meeting, the Dean of Students will discuss the alleged violation with the student and determine if the violation occurred. The outcome will be shared with the student in writing within a reasonable time-frame following the conference. If the Dean of Students

finds that no violation occurred, case documents will be kept on file in the Dean of Students Office, but will not impact the student's permanent record. If the accused student disagrees with the outcome of the administrative conference, a written appeal can be made to the Vice-President of Academic Affairs and Student Services (VPAASS)

Step 4—Appeal

If the student disagrees with the outcome of the administrative conference, the student can appeal the case in writing to the Vice-President for Academic Affairs and Student Services (VPAASS) with seven (7) days after the written outcome is provided to the student. The VPAASS/designee will review all documentation in the case and may conduct further inquiries. A decision shall be rendered in writing to the student within fifteen (15) work days after the written appeal is submitted. The student can request a meeting with the VPAASS in their written Appeal, but a meeting is not required. The student has the opportunity to make their case in writing, providing additional evidence if applicable.

If the VPAASS finds that no violation occurred, all charges will be dropped, the student will be notified in writing, and the case documents will be kept on file in the Dean of Students Office, but will not impact the student's permanent record. The decision of the VPAASS is final.

¹*Or a representative acting on the Dean's behalf.*

²Herein, "work day" is defined as those days when the College is open for business.

General Grievance Policy and Procedures for Students

Introduction

The purpose of the General Grievance Policy for Students is to provide a formal method of recourse to students who feel that a particular action or series of actions on the part of a Hagerstown Community College employee has violated accepted or stated institutional practices and standards. Student concerns

appropriate to this policy include concerns regarding the ethical and professional behavior of employees, arbitrary application of current College policies by employees, and perceived violations of accepted rights of students such as the right to free expression and the right to assemble. If a student wishes to have another person present at any step of the process, they may request the presence of a nonlegal advisor.

Student complaints related to faculty/instructor teaching, course content, or student status in competitive academic programs, are not addressed via the General Grievance Policy/Procedure. For such complaints, the student should first share their concern with their faculty/instructor. If not satisfied, the student should share their concern with the respective academic division director (for credit courses) or program coordinator (for non-credit courses). If still not satisfied, the student may share their concern with the VPAASS (for credit programs) or Dean of WSCE (for non-credit programs). When applicable, students may use the Student Grade Appeal Process.

Step 1—Report

If a student feels that they have a concern that qualifies under the General Grievance Policy and Procedure, the student should submit a brief written statement outlining the concern to the Dean of Students. The student must indicate the cause for the Grievance, provide evidence, and specify the outcome they are requesting. Submissions can happen in one of three ways: 1) complete the online General Grievance Report Form (on the HCC website, Current Students tab or using the search tool), 2) send an email from the student's HCC email account to studentaffairs@hagerstowncc.edu indicating that they are filing a grievance or 3) provide a written submission indicating that they are filing a grievance to the Dean of Students Office in Room 142 in the Student Center. If the student's grievance pertains to the Dean of Students or VPAASS, the report will be shared with the VPAASS/College President, who will appoint a designee to oversee the procedure.

Step 2—Informal Review

The intent of the informal review meeting is to determine if a complaint is appropriately addressed through the General Grievance Policy and Procedure and, if so, to resolve student grievances in the most accurate, equitable, and timely manner. Upon receipt, the report will be reviewed for applicability. For reports that meet Grievance criteria, the student will be invited to an informal review meeting to discuss the grievance and, if appropriate, an investigation of the alleged concern will begin. At the conclusion of the informal review, the most appropriate pathway for resolution will be determined. If mutual resolution is reached, all procedures will cease. If there is no resolution, the student will receive written follow-up outlining optional steps for a formal review.

Step 3—Formal Review

Upon receipt of the informal review follow-up, the student must choose whether or not to begin formal grievance procedures within 7 (seven) days. To begin formal grievance procedures, the student will need to submit a more detailed written statement of the complaint that explains what allegedly happened, the evidence provided, what steps have been taken up to that point, why the student feels the informal review was inadequate, and what action the student is seeking. Copies of the formal grievance will be distributed to the appropriate parties.

If deemed appropriate, the student and employee named in the grievance and the employee's supervisor may be asked to participate in a resolution meeting. Within fifteen (15) work days of submission of the formal review written statement, the student will be informed of the outcome in writing.

Step 4—Appeal

If the student does not agree with the formal review outcome, they may submit an appeal, in writing, to the President of the College within seven (7) days. The President will review all documentation and may conduct further inquiries. The student can request a meeting with

the College President in their written Appeal, but a meeting is not required. The President will have access to all prior documents related to the grievance and shall render a decision within fifteen (15) work days after the written appeal is submitted. The decision of the President shall be final.

Student Grade Appeal Process

This process outlines procedures a student shall follow to challenge the final grade assigned by the person responsible for the academic endeavor, hereafter referred to as the instructor. Confidentiality must be maintained throughout the process.

In order to successfully appeal a final course grade, a student must offer convincing written arguments that good cause exists for mandating a change of grade. If a student fails to appeal a final grade within seven (7) days from the date the grade is posted to the student's record, the student forfeits the right to appeal.

Each of the following reasons, if supported by sufficient written evidence, shall constitute "good cause" for a grade appeal:

- A. Assignment of a grade that is malicious or discriminatory. This is applicable if, in determining the grade, the instructor clearly did not apply the same standards used for grading other members of the class whose work and behavior were similar to those of the appealing student.
- B. Assignment of a grade that is arbitrary or capricious. This is applicable if the instructor apparently had no discernible rationale for arriving at the grade given.
- C. Assignment of a grade that has resulted from innocent human error. The instructor reported an incorrect grade as the consequence of a mistake in computation, recording, or in some other mechanical aspect of the grading process.

None of the following shall constitute "good cause" for the purpose of appealing a grade.

- A. Disagreement with the course requirements established by the instructor

- B. Disagreement with the grading standards established by the instructor.
- C. Disagreement with the judgment of the instructor in applying grading standards as long as they have made a reasonable effort in good faith to be fair and consistent in exercising that judgment. Good faith on the instructor's part shall be assumed unless the student can offer convincing arguments to the contrary.
- D. The student's desire or "need" for a particular grade. While this sort of reason may seem compelling to the individual on a personal level, it shall not be considered "good cause" for purposes of appeal and shall not be regarded as relevant in consideration of the student's appeal. Examples of the student's need to have a higher grade include but are not limited to, the need to graduate, transfer course credits, gain employment or promotion, or qualify for a more advanced course.

The following steps constitute the established administrative procedures for appealing a final grade. Individuals involved in the process will vary depending on if the grade appeal is regarding a credit or non-credit course. If the appeal concerns a final grade given by a division director/program manager, an administrative substitute (determined by the VPAASS) will be selected to act in their place throughout the process. All paperwork and documentation of Steps 1 through 3 will be kept in the office of the division director (credit courses) or program manager (non-credit courses). If the appeal is filed against the VPAASS/Dean of WSCE, an administrator substitute will be selected by the College President to act in their place.

Step 1—Initial Appeal

The student must submit a written appeal of the final grade to the course instructor; the "cause" of the appeal needs to be clearly stated. A student email may serve as a written appeal if the student clearly states in their email that the intent of the email is to initiate a grade appeal; only Hagerstown Community College student email addresses can be used for grade appeals initiated through email. This must be done within seven (7) days from the date the grade is posted to the student's record.

Step 1—Conference

The instructor/student conference will occur as soon as possible. This conference may take place remotely over the phone, online, or in person. The occurrence and outcome of the meeting will be documented by the instructor who assigned the grade; a copy of the documentation will go to both parties.

Step 1—Secondary Appeal

If the initial appeal cannot be resolved, the student has seven (7) calendar days after the student/instructor conference to appeal, in writing, to the division director (credit course) or program manager (non-credit courses); the "cause" of the appeal must be clearly stated and match the "cause" in the initial appeal. After reviewing the written materials, the division director (credit)/program manager (non-credit) will schedule a conference with the student within ten (10) work days; this conference can take place in person, online or over the phone. When appropriate and possible, the instructor may participate in this meeting. If the secondary appeal is not resolved, the student has seven (7) work days from the date of the conference to appeal the grade, in writing, to the VPAASS (credit) or Dean of WSCE (non-credit).

Step 1—Final Appeal

At this stage, the VPAASS/Dean of WSCE will review all written materials submitted by the student/division director/program manager regarding the grade appeal and may conduct further inquiries. The student can request a meeting with the VPAASS/Dean of WSCE in their written Appeal, but a meeting is not required. A decision shall be rendered within fifteen (15) work days after the written appeal is submitted. The decision of the VPAASS/Dean of WSCE shall be final.

Registration and Refund Appeals

Students may need to file a registration appeal when extraordinary circumstances have prevented them from dropping their classes by the established deadline. The process varies for credit and non-credit courses.

Credit Courses:

Depending upon the situation, students can appeal for a late drop, a late withdrawal, or a refund appeal. Along with the Registration Appeal Form – Credit Courses, students are required to submit a written statement and to provide relevant documentation to support their request. The form can be found at: www.hagerstowncc.edu/registration/appeal-form

Appeals are expected to be received within two weeks after the semester of a student's appealed grade/class. It is not customary for appeals to be granted after that time, especially if financial aid is received. Please read HCC's appeal policy before submitting an appeal. HCC's complete appeal policy is found in our college catalog under the section "Paying for College." Students will receive a response in writing from the Registrar regarding the outcome of your appeal. Appeals will be reviewed on a monthly basis and should be submitted prior to the 15th of each month for consideration for that month.

Please note: Registration appeals are not to be submitted in lieu of formal grade appeals and/or in cases of academic program dismissals. Students who are requesting an appeal based on course related issues or academic program dismissals must first meet with the instructor and division director. Students seeking a grade change should consult the Student Grade Appeal process outlined in the Student Handbook or where applicable, consult the program handbook.

Non-credit Courses.

Students may receive a refund for a non-credit course before the class begins; after this date, no refund is available. Should a student be unable to complete the courses due to a personal extenuating circumstance, they may submit a written Registration Appeal Form – Non-Credit Course to the Dean of Students for review. The Dean of Students will

consult with the student, the Instructor/Program Manager and Dean of WSCE as is needed to render a final decision for a refund.

Non-credit course refund appeals are expected to be received within two weeks after the non-credit class of a student's appealed grade/class. It is not customary for appeals to be granted after that time, especially if a scholarship is received. Students will receive a response in writing from the Dean of Students regarding the outcome of your appeal. Appeals will be reviewed on a monthly basis and should be submitted prior to the 15th of each month for consideration for that month.

Refund appeals for College for Kids courses are reviewed through a separate process monitored by CFK staff. See CFK guidelines for details.

Title IX Sexual Misconduct/ Harassment Policy & Procedures

Hagerstown Community College (HCC) is an academic community committed to providing a working and learning environment free from sexual harassment/misconduct. Sexual misconduct is an umbrella term used at Hagerstown Community College that encompasses various types of prohibited conduct including sexual harassment, sexual discrimination, sexual assault, dating violence, domestic violence, and stalking; sexual harassment is the umbrella term used by the Federal government. HCC will not tolerate sexual harassment/misconduct and has implemented specific measures to strongly encourage and support the reporting of such acts and to ensure that all allegations of sexual misconduct are investigated and resolved in a timely, discreet, fair, and impartial manner and in accordance with Federal Title IX and Clery Act regulations and Maryland Education Article 11-601.

Title IX of the Education Amendments of 1972 states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance."

Detailed information regarding Title IX is available online at www.hagerstowncc.edu/student-affairs/sexual-misconduct-procedures. All employees should take a few minutes to review this information since it applies to all members of the College community and to sexual misconduct occurring during Hagerstown Community College educational activities and programs, including the following:

- On Hagerstown Community College premises, in any College facility or on College owned or controlled property
- At any Hagerstown Community College sponsored, recognized, or approved program, visit, or activity, regardless of location
- In any building owned or controlled by a Hagerstown Community College group that is officially recognized by the College
- At locations, events and circumstances over which Hagerstown Community College exercises substantial control over both the complainant and respondent's behavior and the context in which the sexual misconduct occurs
- That limits equal access to any Hagerstown Community College education program or activity, negatively impacts the education or employment of a member of the College community, and that may threaten the safety and/or health of any member of the College community.

All Hagerstown Community College employees (faculty, staff, and administrators) are required to report actual or suspected sexual misconduct to the designated HCC Title IX Coordinator immediately:

Dr. Christine Ohl-Gigliotti,
Title IX Coordinator for Students
Dean of Students Office
Student Center, Room 142

The Title IX Coordinator will ensure that the complainant:

- receives a copy of and understands the Title IX Grievance process
- is advised of the option to notify law enforcement and is assisted in doing so if desired;
- is advised of HCC's investigative obligations and process;
- is advised that even if the complainant chooses not to pursue the complaint, HCC may proceed with its investigation;
- is advised of available interim measures; and
- is advised about available resources for counseling, health, mental health, victim advocacy, and legal assistance.

HCC's complete Sexual Misconduct Policy & Process: Title IX Non-Discrimination and Grievance Process is available at www.hagerstowncc.edu/student-affairs/sexual-misconduct-procedures.

Title IX Pregnant and Parenting Students

Title IX prohibits discrimination on the basis of sex-including pregnancy, parenting and all related conditions-in educational programs and activities that get federal funding. This means that schools must give all students who might be, are, or have been pregnant the same access to school programs and educational opportunities that other students have.

- HCC must excuse absences due to pregnancy or any related conditions for as long as the student's doctor says it is necessary to be absent. When the student returns to school, she must be reinstated to the status held before they leave.

- Professors who base grades on class attendance cannot penalize a pregnant student for their absence and must allow the student to earn back the credit from the classes that were missed.
- HCC is required to let pregnant and parenting students make up the work missed while absent from class due to pregnancy or any related conditions, including bed rest or recovery from childbirth. It is recommended that for an extended absence, the student and professor work together to keep up with regularly scheduled assignments.
- HCC students who are pregnant or experiencing any pregnancy-related conditions must be permitted to continue their off-campus work, including internships and career rotations. HCC cannot require a doctor to approve the continuation of these activities unless a note is required of all students with a medical condition.

Pregnant or parenting students who feel they are being discriminated against should be referred to the Title IX Coordinator/Dean of Students Office for assistance.

Questions regarding how to respond to a pregnant or parenting student, under Title IX guidance, should be addressed to:
