

New Student Checklist Next Steps

To view all of these steps online, visit www.hagerstowncc.edu/future-students.

- 1. **Submit your official transcripts and standardized exam reports to the Office of Admissions**
 - This may include high school transcripts, GED scores, college/university transcripts, and AP/IB/CLEP scores, or SAT/ACT/MCAP scores. If you are transferring college credits from an accredited college/university, please complete the Transfer Evaluation Request form (TER) found at www.hagerstowncc.edu/docs/transcript-evaluation-request. Credits will not be evaluated unless this form is completed and turned in.
- 2. **Review placement test information**
