Note: This report reflects the distribution of registrations entered by method, based on date registration transaction was received/processed. Excludes any registration labeled "STAND."
 Definition of "Registration" reflects each unique transaction (Registration Add Date, Section Number and Student ID) for any non-credit course offering (Term contains %CE; course start date may be outside FY, for example registrations received in May and June may be for courses offered in non-credit summer term which begins after July 1.)
