

HCC Admin & IT Committee Meeting Minutes – 1/22/24

Communication from 1/22/24

Hello,

I took the Debt Policy (6037) to the Board work session this month after Theresa had done the research and I double-checked with D. K. and David B., so that one is done.

Everything is on Teams, but I will attach the list of our assigned polices here as well.

Thanks and see you on Thursday.

Heike
